

Worksite Satisfaction Survey

Thank you for taking time to complete this survey. Your feedback will help us at the Philadelphia Youth Network determine what worked well and what areas can be improved. We encourage your honest feedback and ideas so that we can make the necessary improvements. Please take a few moments to answer the questions. Since we only need **one survey** from each worksite, please consult with any other youth mentors/supervisors at your worksite before filling out this form.
